Subject: UBER

I feel like we should have a choice in who we want to pay to take us from one destination to another. Having only two choices to use to take me to and from the airport is a violation of my rights to choose. The FCC should investigate the fact that SC has allowed monopolies to operate in this area for years, causing me to wait hours for a ride to take me 1.8 miles (sometimes missing my flights) and paying a minimum of \$25 to ride that 1.8 miles! Ridiculous!

Please issue UBER their license and give them the freedom to create more jobs in SC and more choices for your residents.

Thank you,
Becky R Boen
